Ride-Along Program

The Hanford Police Department offers a limited ride-along program. The ride-along program offers a unique first-hand insight into the police operations of the city. Priority for the ride-along program will be given to police officer applicants, those with verified academic need, the media or compelling reason. Generally, only one ride-along will be accepted on each shift. Ride-along candidates are limited to one ride-along per year, with the exception of those applying to be police officers with our agency. The Office of the Police Chief or assigned designee must approve a ride-along.

The following factors may be considered in disqualifying an applicant and are not limited to:

- Being under 15 years of age
- Prior criminal history
- Pending criminal action
- Pending lawsuit against the department
- Denial by any supervisor

Ride-alongs are available on most days of the week between the hours of 10:00am and 11:00pm. Exceptions to this schedule must be approved by the on-duty watch commander or management. Ride-alongs may be terminated, disapproved or rescheduled at any time by the watch commander.

This application, waiver and release must be signed and submitted to the police department for consideration. If the ride-along is approved, a Patrol Commander will contact you to schedule the ride-along.

This document affects your legal rights. You must read and understand it before signing it.
