

## LENDER'S LIST

The City of Hanford has numerous area lenders supporting our housing programs by providing qualifying homebuyers with primary financing. This list is provided to the homebuyer as a *courtesy only* to assist them in securing their primary loan. Buyers are not required or limited to using the services of any lender listed below, as selecting the primary lender is always the *buyers' choice!*

|                                                                                                                         |                                                                                                                                          |                                                                                                        |
