INSTRUCTIONS:

1. Show dimensions of all property lines (PL).
2. Fill in all dimensions and information asked for by an asterisk (*).
3. Fill in street name(s).
4. Circle the correct arrow to point north.
5. Call out the proposed new construction.
6. Note if the house is 1 story, 2 story, or 3 story.
7. If your property does not have a pool or shed write "none" across the word "pool" and/or "shed".
8. If this drawing does not work for your site, use it as a reference and draw your site plan accordingly. Drawing shall be to scale. All information asked for on this drawing shall be shown on your drawing.
9. Use the extra space for pertinent information.
